East-India House, March 8, 1774.

THE Court of Directors of the United Company of Merchants of England trading to the East-Indies, do hereby give Notice,

That, notwithstanding the said Court proceeded with the utmost Caution in determining the Manner and Order of chusing Directors, agreeable to the late Act of Parliament for establishing certain Regulations for the better Management of the Affairs of the East-India Company, as well in India as in Europe; and that they were warranted in the Mode of Election advertised on the 23d of February, by the concurrent Opinions of Mr. Sayer, Mr. Dunning, and Mr. Madocks, as being perfectly legal; yet various Doubts having arisen, under the Intricacies and Difficulties which the Act of Parliament presents upon every Alternative; and several other Lawyers, equally eminent in their Profession, viz. Mr. Solicitor-General, Mr. Jackson, and Mr. Wallace, having delivered their Opinions, "That the said Mode, as prescribed by the Court of Directors, is totally illegal;" The Court, in order to avoid the dangerous Consequences of any Error in their Proceedings, on a Subject of so much Importance, have again taken the same under their most deliberate Consideration, together with the several Opinions of Council above referred to, and have unanimously come to the following Resolutions, as the Manner and Order seemingly agreed by all to be free from any legal Objections; for chusing Six Directors expressly for the Term of One Year; Six other Directors for the Term of Two Years; Six other Directors for the Term of Three Years; and the remaining Six Directors for the Term of Four Years, according to the Words of the Act.

That the Election shall be by Ballot of the Proprietors on the 13th of April next, from Nine o'Clock in the Morning, until Six in the Evening.

That each Proprietor shall give in a List, containing Twenty-four Names of Persons duly qualified, divided into four Classes of,

Six for the Term of one Year,

Six for the Term of three Years,
Six for the Term of four Years.

That the Six Candidates, who shall have the greatest Number of Votes in any one Class, shall be the Directors chosen for the Period for which they shall be so classed, and that no Votes shall be transferred from one Class to another; and if any Dispute shall arise upon an Equality of Votes between any two or more Candidates in any of the said Classes, the same is to be reported by the Scrutineers to the General Court, that the Choice may be determined in the said Court by Lot, conformably to the Directions in the Company's Charter, for that Purpose.
